Permitee: James Powers Inc.

Location: Rt. 3 Thornton

Tax / Lot #6/9

Approval Date: 6/5/2007

Expiration Date: 6/5/2012

-- North Country Forestry Advisory Council

June 2007 news bulletin. Sally will post on Town's bulletin board

3. Sally attended a meeting of the North Country Council, Inc. They are putting together a questionnaire to send to regional planning boards to find out what people want regarding development in this area.

4. Sally will contact the 2 names provided by Cathy about hiring them to do Thornton's NRI and the cost of their services.

5. In response to Timmee's inquiry about the CC's membership dues, Sally assured her that they were paid until 2008.

6. To address the time sensitive issued of some of the workshops available to the public, Timmee will include these workshops at the end of the approved minutes from the previous months' minutes. (By the time we approve the minutes of the meeting where we discussed the workshops, often the workshop is over)

Meeting adjourned at 7:15
